Kerolos Gad

Kerolos Kamal Kamel Gad Elsayed

🎯 ABOUT ME:

I am a young STEM education high school student who is interested in computer science fields like IT, Cloud Computing, Cyber Security, DevOps and Web Development. My experience has started when I was just a child having a passion for technology and used researching and self-learning to reach what I want. Now I become ambassador for OWASP Cairo Chapter and CyberTalents just with my passion and vision to reach what I want to be and create my own tech startup with youth power and vision.
